2686 Pounds - Highest Yield

Appomattox fire cured tobacco growers harvested 584 acres in 1971. For many years the average yield has been 1250 pounds per acre. There's been a lot of speculation as to why the yield is so low. Some have suggested that it's a varietal problem, but there are a number of good growers who get 2000 pounds per acre. Others have said it's soil type but high yields have been reported from soils that are considered very good and those that are less desirable. Most of the experts tend to agree that it a series of management practices that cause production to be low and fertilizer is one of the big factors.

Who does produce the highest yield per acre in Appomattox County? The field of tobacco in this picture was grown by John H . Goin, Route 2, Appomattox. He sold 2686 pounds worth -- $1599.76 from one acre. This is an average of 59¢ per pound. The crop received 1800 pounds of 4-8-12.

'Don't Kill Horse'

Submitted by Dr. C. G. O'-Brien

The Rescue Squad has been one of the greater accomplishments of Appomattox. As I look back I do not see how we have gotten along without these capable willing helpers. The public has been so wonderful in their contributions so this group could function.

There are so many who are using the services of the Rescue Squad unwisely. These men and women have their own work to perform in order to make a living. Some of you people are calling them for service calls that you could perform yourselves. If you have adequate transportation and it is not an emergency, then you should seek medical aid yourselves. The Rescue Squad should function only in emergencies where transportation of patients is unwise by other than ambulance. They may have to give oxygen and first aid assistance to such patients.

If you have simple lacerations or sickness, use your own facilities. Please don't ride a good horse to death. We want to keep our Rescue Squad with us always.

SERVICE SUNDAY TO MARK END OF PASTORATE HERE

Dr. Thomas D. Lea, pastor of Liberty Baptist Church, will conclude his pastorate here with services Sunday, February 6. He will assume responsibilities the following Sunday, February 13, in Birmingham, Alabama as pastor of Hunter Street Baptist Church.

Council Will Act On Several Ordinances

The Appomattox Town Council at the regular February meeting will act or confirming a series of ordinances passed by council during a period dating from November 20, 1961 to March 15, 1971.

Anyone interested in reading any of the ordinances may see them at the Town Office. The ordinance list includes adoption of the Town code in 1961 and other ordinances dealing with streets and alleys, water rates, maintenance of property, sewer facilities, taxes and parking violation changes.

Dribble & Shoot Contest Feb. 26

The Dribble and Shoot Basketball competition sponsored by the Jaycees will be held at the Appomattox High School Gym, Sat., Feb. 26th. Boys 8-16 years are invited to compete. Entry forms will be available at the time of competition. Watch for further instructions in the Times - Virginian or contact Robert Pankey, Chairman of Dribble and Shoot.

Dinner Includes Winners

Sixty-one persons attended a dinner meeting Thursday at the Parkway Restaurant to hear details of the 1972 Fertilizer and Seed Corn Program. The meeting was co-sponsored by Tolley's Liquid Fertilizer Company, Geigy Chemical Co. and Pioneer Seed Corn Co. (Above, from left): Sonny Tolley, local fertilizer, seed corn dealer; Crawford Davidson, winner of one bushel of 3369A seed corn; Hunter Tolley, fertilizer and seed corn dealer and Carlton Harris, the door prize winner.

Attend Leadership Conference

How to "run a meeting that gets things done"? These community leaders of 4-H clubs, home demonstration clubs and others found some answers Monday as Miss Ethel Grubbs (2nd from right), VPI Extension Specialist, talked with persons attending the afternoon session of a Leadership Conference. An evening session followed at the Rescue Squad building involving additional club members. Miss Grubbs suggested that a leader with animation and sense of humor, who is thoroughly prepared for organization sessions can make a real impact on progress in his organization. The group assembled discussed such "club spoilers" as the "ax grinder", "sulker", answer man" and "quibbler" and how to deal effectively with all members of a club.Shown from left (above): David Jones, Mrs. T. C. Harvey, Joanne Elder, LaVerne Allen, Bill Harvey, Fontain Johnson, Miss Grubbs and Mrs. Clifford Plunkett.

Heart Fund Seeks $2,000

February first marks the beginning of Heart Month.

The Heart Fund goal for Appomattox County is $2,000 according to Ivey Holland, marking his 21st year as chairmen of the annual drive.

This year the fund goal is higher than ever before, but chairman Holland has added a new and important helper to the campaign, a co-chairman, Thomas Lee Matthews ("Tommy").

Holland reports that the county made its quota of $1800 last year and that he has high hopes that the $2,000 will be raised. A percentage of all funds returns to the county in the form of equipment for heart patients and others in the Rescue Squad Loan Closet.

Heart Sunday will be February 27th, culmination of a month's effort through the mailing of individual letters for contributions, a canvass of both garment factories, Amelia Dress Company and Appomattox Garment Factory and a door-to-door soliciation in the week leading up to Heart Sunday.

Two young cardiac patients have been invited to a 1972 Happy Hearts Party in Richmond, held annually for victims of heart disease. The local people are Tony Ferguson, Route 1, Appomattox and Winston V. Vaughan, Route 2, Pamplin.

$150 Scholarship Offered Again

The Appomattox Junior Woman's Club is offering a one-year $150 partial scholarship to a graduating senior or a graduate of Appomattox County High School.

The applicant is asked to submit a brief essay to the Jr. Club's Scholarship Committee, according to Mrs. Linda Stewart and Mrs. Frances Lewis, co-chairmen. The essay should accompany an application form with a deadline of April 1st for application.

Any student planning to attend or now attending Nursing School Technical School or Business College may apply for the scholarship, provided they have kept up their scholartic average.

Last year's winner was Kathryn Sharp, a student at Central Virginia Community College.

Bids Invited For High School

Sealed proposals are invited for the erection of a new High School for the Appomattox County School Board and will be received until 2:00 p.m. March 21, 1972 at the Appomattox County School Board Office, Appomattox, Virginia. Proposals received on or before that hour will be publicly opened and read aloud.

SEEK RECREATION

A group of parents is planning to meet with several civic groups in an effort to provide additional recreation in Appomattox for children, young people and adults.

A meeting with Appomattox County Jaycees was planned for Wednesday evening at the Parkway with subsequent meetings with other organizations.

County Has 3,290 Homes, Apartments According To Recent Census Records

Four Pamplin boys and girls enjoy the "listening post", earphone listening attachment for a record player which enabled them to hear more about Virginia, an important study topic for these 4th year students of Mrs. Sadie Brightwell. Books, films, filmstrips and other educational helps can now be added to the Pamplin Elementary School library through a Title II grant which has just been approved. "Raising the reading level and general reading improvement" is a goal of the school, says Mrs. Barbara Waddell, principal. (Above) from left, David Price, Tammy Book, Gary Tolbert and Laura Baldwin. There are 180 pupils in the Pamplin school where carpeting, improved lighting and realignment of classroom space has made a marked change in the school's appearance.

For Library Books & Materials

Pamplin School Receives Grant

Pamplin Elementary School has been notified that the school is the recipient of the Title II Special Purpose Grant to be used for the purpose of purchasing materials for the school library. Awards were made to 81 school s in 44 school division; however, due to limitation of funds, few projects were funded for the full amount requested. All materials purchased are to be regarded as a part of the library collection. Materials to be selected may include books, reference books, filmstrips, films, records, maps and charts and transparencies. The School Libraries and Textbooks Service of the State Department of Education is assisting with the implementation of the project.

Recent renovations to the school included combining the primary and elementary libraries into one facility. The addition of materials made available by the Title II grant will further enrich the instructional program of continuous progress which is providing programs at all levels of learning. In the near future parent volunteers will assist in further expansion of the school's library program by providing story hour for groups of students, assisting with clerical duties and with supervision of the libra[illegible].

Mrs. Barbara Waddell, principal of Pamplin Elementary and her staff have expressed their appreciation for this grant. "The funds will help considerably to help the school meet instructional objectives," said Mrs. Waddell in an interview Tuesday.

Cars Needed To Help Young Pupils

Automobile transportation is urgently needed to help three pupils needing transportation in order to reach school by nine a. m. with classes ending at 2 p.m.

The school is held in the Agudath Sholom Synagogue.

Anyone who is commuting back and forth to a job or to college can be of real help. Gas mileage and depreciation is paid for the Lynchburg Area Association for Retarded Children.

The Appomattox County School Board is cooperating with the use of school bus facilities to a central pick-up location. Anyone who can help is asked to call Mrs. H. B. Pack, III (Jane) at the Appomattox Drug Store, 352-7161 or home 352-8052.

AAA Rating Is Given To Restaurant

Jeanne's Restaurant, Main St. Appomattox has been approved a Triple-A eating establishment by the American Automobile Association.

Mrs. Jeanne Stanley was notified in a letter dated Jan. 24 that her official appointment application has been approved. The Restaurant passed several exact in requirements and Mrs. Stanley was notified by Don Dodson, sales supervisor, Approved Accomodation, National Travel Department, that only about one percent of all rest-

Report Of Payments Delayed

Due to difficulty in obtaining a sufficient supply of Forms CCC-182, "Report of Payments to Producers", some farmers in Appomattox County did not receive a report of 1971 ASCS payments by January 31, 1972.

According to J. P. Alvis, Jr., Chairman of the Appomattox County ASC Committee, the remainder of these reports will be prepared and mailed to producers by February 11, 1972.

Reports of ASCS payments are furnished farmers in order to aid them in reporting their income for tax purposes.

Mr. Alvis also stated that in some instances the reports that have been mailed are illegible and asked that farmers who have received such reports contact the ASCS office for their total 1971 ASCS payments.

New Jailer For County

Richard and Dorothy Phelps have assumed the duties of jailer and matron at the Appomattox County jail. Both Mr. and Mrs. Phelps (the former Dorothy Totty) are Appomattox natives and graduates of the county schools. Mr. Phelps has been operating [illegible] Appomattox for the past two years and has been a man in a truck and body repair firm in Li[illegible]re. The Phelps have three children: Teresa [illegible], 12; Pamela, 10 and a cat, named appropriately enough "Scratchet." For Mrs. Phelps there's additional cooking to do inasmuch as she feeds prisoners three times a day, but the prisoners, themselves, are expected to keep their own quarters neat and clean. The Phelps replace Mr. and Mrs. Calvin Mottley. Mr. Mottley resigned the position because of poor health.
